Alabama Performance Excellence Program

The Alliance for Performance Excellence is a nonprofit national network of Baldrige-based organizations with a mission to grow performance excellence in support of a thriving Baldrige community. Alliance members include Baldrige-based programs that use the Baldrige Excellence Framework to serve organizations from all sectors in their region, state, or a specific industry. These programs annually evaluate and recognize over 1,000 organizations and serve as the feeder system for the national Baldrige Award.

The Alabama Performance Excellence Program is a Baldrige-based program recognizing and honoring organizations that are using effective productivity and quality improvement strategies, techniques or practices which could be shared with other organizations with the expectation that they will contribute to the overall economic well-being in the state of Alabama.

Created with Congressional authorization in 1987, the [Baldrige Program](http://www.baldrige.org) helps organizations improve and succeed in the global marketplace. It is the only public-private partnership and Presidential award program dedicated to improving U.S. organizations. In collaboration with the Baldrige community, the Baldrige Program offers a systems approach to organizational excellence, award-winning leadership development, self-assessment tools, organizational assessments by trained experts, workshops on how to improve, and events that showcase best management practices.

The data presented below, in some cases, are estimates of the best available information.
Featured Recipient

Legacy of Hope is the organ, eye, and tissue donor registry for the state of Alabama.

Highlights

• Improvement in timely referrals
• Reduction in organ packaging complaints
• Reduction in wait list deaths
• Improving operating margins
