Success Story

Southcentral Foundation (SCF) provides health care and related services to about 65,000 Alaska Native and American Indian people. It operates the Nuka System of Care, a customer-driven, relationship-based health care system. SCF collaborates with Alaska Native Tribal Health Consortium to ensure a seamless continuum of care by providing consultation and specialty services at the Alaska Native Medical Center. SCF uses a wide range of delivery mechanisms to provide health care service offerings, including ambulatory office visits, home visits, learning circles, email and telephone visits, health information and education, outpatient services, behavioral services, and day and residential treatment. With 33 facilities in and around Anchorage, SCF also provides care to 55 remote village sites, many of which are accessible only by plane. It has 2,200 employees.

Performance Excellence Northwest
The Alliance for Performance Excellence is a nonprofit national network of Baldrige-based organizations with a mission to grow performance excellence in support of a thriving Baldrige community. Alliance members include Baldrige-based programs that use the Baldrige Excellence Framework to serve organizations from all sectors in their region, state, or a specific industry. These programs annually evaluate and recognize over 1,000 organizations and serve as the feeder system for the national Baldrige Award.

Performance Excellence Northwest (PENNW) is a regional program affiliated with the national Baldrige Performance Excellence Program. Volunteers comprise the Board of Directors, Panel of Judges, Board of Examiners, Mentors and others. Our 200+ volunteers partner with health care organizations, manufacturers, government agencies, schools, small and large businesses and nonprofits to help them improve overall performance using the renowned national Baldrige Excellence Framework and leading continuous improvement tools.
