Baldrige-Based Award Programs Serving Arizona

[The Alliance for Performance Excellence](#) is a nonprofit national network of Baldrige-based organizations with a mission to grow performance excellence in support of a thriving Baldrige community. Alliance members include Baldrige-based programs that use the [Baldrige Excellence Framework](#) (which includes the Criteria for Performance Excellence) to serve organizations from all sectors in their region, state, or a specific industry. These programs annually evaluate and recognize over 1,000 organizations and serve as the feeder system for the national Baldrige Award.

The [Southwest Alliance for Excellence](#) (SWAE), an Alliance for Performance Excellence member, is a 501(c)(3) nonprofit corporation that advances improvement and excellence in organizations, communities, and individuals throughout Arizona, Nevada, and Utah. SWAE empowers organizations to pursue performance excellence, improve outcomes, and contribute to the economic strength of their community and state.

The [AHCA/NCAL National Quality Award Program](#), an Alliance for Performance Excellence member, provides a pathway toward performance excellence for providers of long-term and post-acute care services. The program is based on the core values and criteria of the Baldrige Performance Excellence Program.

The Baldrige Performance Excellence Program

Created with Congressional authorization in 1987, the Baldrige Program helps organizations improve and succeed in the global marketplace. It is the only public-private partnership and Presidential award program dedicated to improving U.S. organizations. In collaboration with the Baldrige community, the Baldrige Program offers a systems approach to organizational excellence, award-winning leadership development, self-assessment tools, organizational assessments by trained experts, workshops on how to improve, and events that showcase best management practices.

The data presented, in some cases, are estimates of the best available information.
