Baldrige-Based Award Programs Serving Montana

The [Alliance for Performance Excellence](#) is a nonprofit national network of Baldrige-based organizations with a mission to grow performance excellence in support of a thriving Baldrige community. Alliance members include Baldrige-based programs that use the Baldrige Excellence Framework to serve organizations from all sectors in their region, state, or a specific industry. These programs annually evaluate and recognize over 1,000 organizations and serve as the feeder system for the national Baldrige Award.

Incorporated in 2000 as a 501(c) (3) nonprofit corporation, [Rocky Mountain Performance Excellence \(RMPEX\)](#), an Alliance for Performance Excellence member, helps organizations improve performance and achieve results. The approach is based on the Baldrige Excellence Framework, a proven framework that brings innovation and results to any organization. RMPEX serves Colorado, Montana, Nebraska, and Wyoming.

The [AHCA/NCAL National Quality Award Program](#), an Alliance for Performance Excellence member, provides a pathway toward performance excellence for providers of long-term and post-acute care services. The program is based on the core values and criteria of the Baldrige Performance Excellence Program.

- **Outperforms local and national comparators** for attainment of associate degrees and certificates by **more than 200%** (Howard Community College)
- Over 4 years, **100% of customers surveyed would recommend the company** to others (Stellar Solutions)

The Baldrige Performance Excellence Program

Created with Congressional authorization in 1987, the Baldrige Program helps organizations improve and succeed in the global marketplace. It is the only public-private partnership and Presidential award program dedicated to improving U.S. organizations. In collaboration with the Baldrige community, the Baldrige Program offers a systems approach to organizational excellence, award-winning leadership development, self-assessment tools, organizational assessments by trained experts, workshops on how to improve, and events that showcase best management practices.

The data presented, in some cases, are estimates of the best available information.
