Baldrige-Based Award Programs Serving Vermont

The [Alliance for Performance Excellence](#) is a nonprofit national network of Baldrige-based organizations with a mission to grow performance excellence in support of a thriving Baldrige community. Alliance members include Baldrige-based programs that use the Baldrige Excellence Framework to serve organizations from all sectors in their region, state, or a specific industry. These programs annually evaluate and recognize over 1,000 organizations and serve as the feeder system for the national Baldrige Award.

[ExcellenceNorth Alliance](#) (ENA), an Alliance for Performance Excellence member, is the nonprofit resource for organizational performance excellence in Northern New England. ENA enables organizations and communities in Maine, New Hampshire, and Vermont to sustainably thrive as the rate of change and disruption continues to dramatically increase across all business sectors. ENA provides customized expertise in the Baldrige methodology and other systematic approaches through coaching and training, networking and best practice sharing, and assessment and recognition.

The [AHCA/NCAL National Quality Award Program](#), an Alliance for Performance Excellence member, provides a pathway toward performance excellence for providers of long-term and post-acute care services. The program is based on the core values and criteria of the Baldrige Performance Excellence Program.

The Baldrige Performance Excellence Program

Created with Congressional authorization in 1987, the Baldrige Program helps organizations improve and succeed in the global marketplace. It is the only public-private partnership and Presidential award program dedicated to improving U.S. organizations. In collaboration with the Baldrige community, the Baldrige Program offers a systems approach to organizational excellence, award-winning leadership development, self-assessment tools, organizational assessments by trained experts, workshops on how to improve, and events that showcase best management practices.
